

Legacy Society

Deferred or planned gifts provide benefits at a later date. In fact, estate-planned gifts are particularly important to the Guild right now to insure long-term financial stability of our educational events and programming.

Membership in the Handbell Musicians of America's Legacy Society is open to anyone making a commitment of support for the Guild through his or her will, beneficiary designations, or other planned giving method. Members in the Legacy Society receive the following benefits: (1) Recognition in an annual listing in the guild's publications as a planned gift donor to the organization; and (3) An invitation to an annual Legacy Society recognition event hosted by the Board of Directors and Executive Director.

A Special Thank You to those currently supporting the guild through membership in the Legacy Society:

If you would like to join the Legacy Society, please complete the form below. We encourage you to discuss and periodically review this gift with your legal, tax, and financial advisors who may have recommendations on tax-efficient strategies you could utilize for this gift.

Enabling the future – that's why I chose to be a part of the Legacy Society and name AGEHR/Handbell Musicians of America in my will as a recipient of a portion of my estate.

I have received so much from the organization from the time I began 47 years ago as a young ringer through today as I lead my own choirs and have the wonderful opportunity to teach and conduct and learn from other ringers and conductors. It is my sincere hope that Handbell Musicians of America will continue to provide significant opportunities for the advancement of handbell/handchime ringing in this country for many years to come.

I have actively invested in this hope through the Legacy Society and additional donations beyond my annual dues and I encourage you to do the same. Enable the future along with me!
